

Vinyl Over **Endless Step** and Modular Endless entry system & sun-ledge.

- Custom sizes are used to build an ENDLESSNESS step for rectangle vinyl pools.
- Installs inside the pool to go the entire width of the pool for full stadium style seating.
- As solid as poured concrete steps.
- Patented liner step receptor keeps top tread liner securely in place.
- Dealers save time, materials and thousands in cost with this rigidified fiberglass modular system.
- No need for special backfill as steps are closed top.
- No need to assemble the steps
- For sun ledge entry, no need to excavate 42in. and refill.
- Will never rust.
- Endless sun ledge / entry system now available (See Reverse)

*PVC pipe not included
(Receptors Only)
